RE: Site Inspection, M/053/005, Goldstrike Project

On ~~March~~<sup>Feb.</sup> 18, 1988, Dave Wham and I toured the area of the proposed Goldstrike Project with Marty Litus and Craig Grubaugh of Tenneco Minerals. The meeting was amicable and it appears that Tenneco will be able to modify the proposed plan to satisfy our concerns (see February 4, 1988 review letter).
